# Examination Review Application Form

Review means the re-consideration in detail of all or part of the existing assessment material where feasible by the internal and external examiner(s). The outcome of a review may mean a result is found to be higher or lower than that initially indicated. A review will not be considered except under the three criteria listed below (Section 2). If you wish to query a particular mark and do not have specific grounds for review under the three criteria (Section 2) you can request a re-check. A review automatically includes a re-check.

This form should be completed (Sections 1 - 5 and Payment Information on page 6) and returned to the Exams Office by

A fee of €80.00 per module must be Payment information is on the final page of this form. This fee will be charged if your review is deemed unsuccessful. Where s/he is of the opinion that such is appropriate, the Academic Registrar may retrospectively exempt a student from the application of this rule.

You must attach with this form any relevant medical or supporting documentation that you wish to be assessed with your application. This is documentation that has not been previously made available to the relevant staff and Examinations Board.

Please note that it is the responsibility of the student to ensure that they comply with the correct procedures or your request will not be processed.
